Application Process for all Police Officer, Correctional Officer and PT Sheriff's Cadet applicants

The Charles County Sheriff's Office is an equal opportunity employer. Anyone interested in a position with the Sheriff's Office must have at least a high school diploma, be in good physical condition and be able to pass an in-depth background investigation to include a polygraph examination, a psychological examination, a physical examination, and a drug screening test.

Your first step is to complete the employment application in its entirety. Any fields left blank could result in your application being made inactive. Remember you are applying for a position which requires good moral character. Once complete, your application may be mailed, faxed, hand delivered or submitted online.

Your second step in the hiring process is to complete the physical agility test. Prior to the start of the physical agility test, you will be given a Preliminary Questionnaire. Complete honesty is required when completing the Preliminary Questionnaire.

The physical agility test consists of the following:

Three Hundred Yard Shuttle: Given a measured distance of 50 yards, the applicant will run the beginning of the 50 yards to the end and back a total of three (3) times for a total distance traveled of 300 yards. The applicant will accomplish this in 75 seconds or less.

1.5 Mile Walk/Run: Given a measured course, the applicant will run and or walk a total distance of one (1.5) miles within the allotted 18 minutes.

Unconscious Victim Drag: Given a mannequin weighing 165 pounds, the applicant will drag the mannequin a distance of 75 feet in 35 seconds. The applicant will begin the drag within 30 seconds of being told to start.

Trigger Pull Test (Passing Score Not Required for Correctional Officer applicants): Given a police service pistol, the applicant will: hold the weapon in one hand at shoulder height and with the upper arm, forearm, hand and barrel of the weapon forming an essentially straight line, be able to pull the trigger completely back causing the hammer of the weapon to rise and fall completing a double action firing sequence. This will be accomplished 12 times successively in a period of 20 seconds. With a 10 second rest period, the exercise will be repeated three (3) times for a total of 48 complete double action firing cycles in 110 seconds. The applicant will complete this process for both the right and left hand in order to pass this phase of the testing.

Push-Ups: Applicant will complete 12 full range push-ups in a time limit of one (1) minute or less.

Sit-Ups: Applicant will complete 20 full range sit-ups in a time limit of one (1) minute or less.

The next step in the hiring process is the written test. Applicants must score at least a 70% to continue to the next step of the hiring process. Those applicants passing the written test will then go on to the oral interview.

The oral interview is set up as a panel interview. Once the interviews are complete, the applicants will be ranked according to a total score combining both your interview score and your written test score. Those applicants scoring high enough to continue will then be moved on to an eligibility list.

As positions become available the applicants will be selected in ranking order from the eligibility lists be offered a conditional offer of employment. The conditional offer of employment is contingent upon the applicant successfully completing and passing the background investigation to include the polygraph, psychological, physical, and drug screen.

Those applicants who successfully pass these final steps will be presented to the Sheriff for final approval of hire. Once approved, the applicant will then be set up with a date of hire.
