Article III Organizational Security

Section I. Payroll Dues Deductions

A. The Charles County Payroll Office shall transmit such monies to the CCCOA within fourteen (14) days of said deduction without cost to the CCCOA.

D. Such written authorization shall be continued from year to year unless revoked by written notice from the employee to the CCCOA. CCCOA is solely responsible for providing a copy of such revocation to the Charles County Payroll Office. Regardless of when such written revocation is received by the Charles County Payroll Office, the dues deduction will be not be discontinued until the first full pay period after the officer's employment anniversary date.

E. Should CCCOA elect to enforce any rights it has to collect membership dues, the Office of the Sheriff will not interfere in such an effort.

B. The Office of the Sheriff shall contribute three hundred fifty (350) hours to the leave bank at the beginning of each calendar year. Any unused hours in the CCCOA leave bank on December 31 of each calendar year, up to a maximum of fifty (50), may be carried over from year to year.

C. To utilize time from the leave bank, CCCOA will send a written request for leave through the chain of command to the Assistant Sheriff of Administration at least fourteen (14) days in advance of any conference, convention, state meeting, school, training seminar, contract negotiation or any other occasion as may be agreed to by both parties for which CCCOA leave will be used. The request shall list those officers who will be attending, the dates of attendance, and how many hours of CCCOA leave will be used for the particular event. D. The Sheriff's Office agrees to provide the CCCOA with an agency vehicle to be utilized to conduct CCCOA business. The use of the agency vehicle will be in accordance with Section 4-221 of the Administrative and Operations Manual (hereafter referred to as the A.O.M.) The agency vehicle will also

Any officer or group of officers covered by this Agreement may present disputes to CCCOA to have those disputes resolved; provided, however, that any adjustment made as a result of such disputes may not conflict with the terms of this Agreement or matters incorporated into this Agreement. Nothing in this procedure shall be interpreted to preclude or discourage officers from discussing any problem with their supervisors; nor shall it preclude officers (with or without representation by CCCOA) from filing grievances, pursuant to existing policy, on issues not associated with this Agreement pursuant to Section 3-750 of the Administrative and Operational Manual (hereafter referred to as the A.O.M.).

Except as otherwise provided in this paragraph, disputes shall be presented and adjusted in accordance with the pre-existing grievance procedures established by Section 3-750 of the A.O.M. as it exists at the time this Agreement is executed. Only CCCOA may file a dispute on behalf of one or more officers covered by this Agreement concerning the application or interpretation of the terms of this Agreement or matters incorporated into this Agreement. CCCOA may appeal the decision of the Grievance Review Board, in accordance with Section 3-750, to the Assistant Sheriff.

Section IV. Disposition of Dispute

The decision of the Assistant Sheriff shall be considered the conclusion of the internal resolution procedure. In the event that the CCCOA is not satisfied with the decision of the Assistant Sheriff, they may elect to invoke mediation or arbitration regarding the application or interpretation of the terms of this agreement. In the case this avenue of resolution is chosen, the following procedure shall be used:

Section V. Alternative Dispute Resolution

1. Mediation:

A. If the CCCOA disagrees with the interpretation or application of this written agreement, and after all internal grievance procedures have been exhausted, the labor organization may request mediation before a neutral labor mediator in accordance with this paragraph.

B. The mediator shall be selected from the Federal Mediation and Conciliation Service directory of mediators or other qualified practitioner as agreed upon by the parties.

C. The Sheriff and the labor organization shall share equally in the costs of the mediation proceedings.

B. An arbitration initiated under this paragraph shall be conducted before a single arbitrator.

C. The arbitrator shall be selected to hear the dispute from a panel of seven arbitrators who are members of the National Academy of Arbitrators or the Federal Mediation and Conciliation Service. The panel shall be requested from the Federal Mediation and Conciliation Service.

D. The parties shall select an arbitrator by alternative strikes from the panel.

E. The arbitrator selected may schedule a hearing, issue written orders to compel the testimony of witnesses and production of documents to those under the command of the Sheriff's Office, administer oaths and declare the record closed.

F. The written decision of the arbitrator shall be final and binding on the Sheriff, employee(s) and the labor organization to the extent the decision addresses the interpretation of this written agreement.

G. The Sheriff and the labor organization shall share equally in the costs of the arbitration proceedings.

3. In the event an applicable law or court ruling would contradict this amendment, said law or court ruling would supersede this amendment.

Section VI. General Provisions

A. The CCCOA President and her/his designee shall be given copies of all answers to disputes or grievances filed under this Agreement or under Section 3-750 of the A.O.M.

B. The fact that a dispute under this Agreement or a grievance under Section 3-750 of the A.O.M. is raised by an officer shall not be recorded in the officer's personnel file or in any file or record utilized in the promotional process; nor shall such fact be used in any recommendations for job placement; nor shall an officer be placed in jeopardy or be subject to reprisal or discrimination for having followed either this Dispute Resolution Procedure or the grievance procedure under Section 3-750 of the A.O.M.

Section IX. Acting Pay

Article VI

Leave

Section I. Personal Leave

A. Each officer will receive a total 25.5 hours of personal leave to be used in accordance with Section 3-615 of the A.O.M. Personal Leave shall expire at the end of the calendar year the leave was earned. Personal Leave shall have no cash value, and shall not be compensable in any way upon separation from the Agency. For purposes of this agreement, a leave day will be considered 8.5 hours.

Section II. Leave Procedures

A. Annual leave is recognized to provide employees time away from their duties so that they might attend to personal and family needs, renew their energies and fulfill their obligations in matters apart from the workplace. Procedures are as follows:

1. A leave request for annual, holiday, personal, or compensatory leave shall be submitted to the officer's immediate supervisor.
2. The leave request shall be reviewed and either approved or denied within five (5) work days. In the event leave is requested and the officer has not provided the supervisor with five (5) days' notice, all reasonable efforts shall be made to respond to the request for leave within twenty-four (24) hours.
3. In the event an officer requests leave for four (4) or more consecutive days and where except for one of the days requested there is adequate staffing, the officer shall be granted leave for that one day except when one of the days is a holiday listed in paragraph E. of this section.

B. For officers assigned to the Custody and Security Section, the first three officers per team to submit their leave request shall have it granted prior to the publication of the work schedule. Once the schedule is published, additional leave may be approved based upon current staffing levels in accordance with most current directives.

C. Arbitrary projections shall not be calculated in for the purposes of determining team strength. For example, an officer requesting leave during the summer shall not be denied leave because there "may" be an Academy in session at the time, unless the dates for this Academy or other event have been set.

D. Officers shall not be denied leave based on previous leave usage, provided they have or will have enough leave to cover the dates requested.

E. For Christmas, Thanksgiving, New Year's Eve, New Year's Day, Fourth of July, and Easter the officers requesting leave on these holidays shall submit a leave request form at least thirty (30) days, but not more than six months (6) prior to the holiday. The leave request shall indicate which holiday the officer is requesting leave. Management should make all reasonable efforts to grant the requested leave providing adequate staffing levels are met as described in Paragraph B above. Leave requests submitted simultaneously shall be granted based upon rank and seniority. An officer should be granted leave for only one of these holidays in the time period thirty days prior to the holiday. Within thirty days of the holiday, the leave request shall be processed as any other leave request would.

Section III. Bereavement Leave

Effective July 1, 2014, in order for an officer to tend to the circumstances of a death in the officer's

immediate family, each officer shall receive four (4) days administrative leave for this purpose. Bereavement leave does not need to be taken in days consecutively, but should be taken within a relatively contemporaneous timeframe after the death of the family member, with any exceptions made only where clearly reasonable and fully documented.

Section IV. Military Leave

A. Effective July 1, 2009, any officer who is a member or who becomes a member of a United States Military Reserve or National Guard Unit can receive paid military leave up to fifteen (15) work days, (either consecutively or non-consecutively) per calendar year when ordered to participate in annual training exercises.

B. Effective July 1, 2011, five (5) military leave days may be carried over to the next calendar year if such leave was not used in the previous calendar year. Any additional days shall not carry over, nor shall they be eligible for compensation. No more than twenty (20) days may accumulate in a calendar year.

Section V. Annual Compensation Leave Bank

A. Officers shall have the option to select compensatory time rather than paid overtime. Compensatory time shall be earned at a rate of one and one half (1 1/2) hours for each hour of compensatory time worked. All compensatory time earned during the term of this Memorandum of Understanding shall be placed in the Annual Compensatory Leave Bank. During the term of this Agreement officers shall not be permitted to accrue compensatory time except as provided in the subsection. This shall apply to any additional duty or assignment taken including, but not limited to, those taken in a training or official emissary capacity.

B. Compensatory time accrued must be used during the calendar year in which it is earned. If for whatever reason the compensatory time is not used within the calendar year it is earned, the compensatory time shall be forfeited and the officer shall be paid at his current hourly rate.

C. If an officer has accrued any compensatory time under this subsection, it must be used before any annual leave is requested or used except that this subsection does not apply to holiday leave, sick leave, personal leave, military leave or administrative leave.

D. Any compensatory time granted as a result of a government closing or for any other reason when granted by County government shall be accumulated as straight time.

E. For the purpose of computing overtime or compensatory time, all hours of leave with pay will be considered hours worked.

Section VI. Emergency Response Team Members

Current members of ERT on full duty status may be permitted to engage in physical fitness/weight training for a period of one (1) hour, three (3) times per week during their tour of duty except in emergency circumstances or in cases where work requirements or emergency staffing makes it impracticable. The physical fitness activity shall be performed within the institution and officers must be available to respond if circumstances warrant.

Section VII. Annual Leave

Effective July 1, 2010, officers shall earn annual leave at the following rates:

First thirty six (36) months of employment -	8 hours per month
After completing three (3) years of service-	10 hours per month
After completing eight (8) years of service-	12 hours per month
After completing twelve (12) years of service-	14 hours per month
After completing eighteen (18) years of service-	16 hours per month
After completing twenty one (21) years of service-	18 hours per month

Section VIII. Holiday Leave

A. Each Officer will receive fifteen (15) holiday leave days (127.5 hours) per calendar year (sixteen (16) holiday leave days (136 hours) in a general election year). Holiday leave accumulated under this section shall be awarded January 1st of each year and reside in the holiday leave account. For purposes of this agreement, a leave day will be considered 8.5 hours.

B. Effective January 1, 2020, any leave hours remaining in the "Old Holiday Leave" account will be combined with the newly accrued leave into one account. The new account will be labeled as Holiday Leave. Officers may not exceed a cap 280.5 hours of the combined old and new holiday leave in the Holiday Leave account. This will allow for a maximum roll-over of 153 hours (18 days) of holiday leave.

C. If an Officer believes that he or she has made a "good faith" attempt to use Holiday Leave but was denied the opportunity to do so and is therefore at risk of forfeiting the leave in accordance with this policy, the Officer may challenge the potential forfeiture through the grievance resolution procedure established by Section 3-750 of the Administrative Operations Manual. Such grievance shall be filed with the Grievance Review Board, and may be appealed to an Assistant Sheriff. The decision of an Assistant Sheriff shall be final and binding on all parties.

D. Effective December 31, 2018, caps will be placed upon Officers' Holiday Leave accounts. The caps will decrease annually until a maximum cap of 15 days is reached on December 31, 2019. Prior to December 31, 2019, the following caps will be in effect:

- 20 days effective December 31, 2018
- 15 days effective December 31, 2019

E. Any Holiday Leave in excess of those caps shall be forfeited from the leave account.

F. If an Officer believes that he or she has made a "good faith" attempt to use Holiday Leave but was denied the opportunity to do so and is therefore at risk of forfeiting the leave in accordance with this policy, the Officer may challenge the potential forfeiture through the grievance resolution procedure established by Section 3-750 of the Administrative Operations Manual. Such grievance shall be filed with the Grievance Review Board, and may be appealed to an Assistant Sheriff. The decision of an Assistant Sheriff shall be final and binding on all parties.

Article VII Scheduling

Section I. Master Shift Plan

The master shift plan, consisting of an 8½ hour shift, shall not change for the duration of the Agreement without consultation and input from the Charles County Correctional Officers Association. If a change is made to the master shift plan, the Sheriff's Office must notify the CCCOA and its members as soon as practicable, but no less than ninety (90) days from the new schedule's implementation. In the event of a health-related epidemic or other serious crisis situation

warranting an emergency shift plan, the Sheriff must, as soon as practicable, inform the CCCOA or any such change.

Section II. Notice of Change in Schedule and Transfers

Officer shall receive ten (10) days' notice of any involuntary change in work schedules. In the event that the Sheriff's Office cannot provide the (10) days' notice, the Officer shall be compensated at a rate of one and one-half times their regular hourly rate of pay for all time worked during the Officer's first shift of the new schedule. For the purposes of this section, notice shall have been deemed to be given when the supervisor posts the final schedule on the Sheriff's Office Intranet. If the Sheriff's Office Intranet is not available due to unforeseen circumstances, notice may be given verbally or by other means found sufficient by the Sheriff's Office. This provision does not apply to:

1. Any trainee assigned to the field training program or a trainee whose change in schedule results from his/her matriculating to full status;
2. An officer who initiates or requests a change in schedule or who voluntarily changes a schedule with another officer where the change in schedule is not initiated by the Sheriff's Office;
3. A change in schedule resulting from a disciplinary action;
4. A change in schedule resulting from a promotion or change in job classification;
5. When a change in schedule results from an emergency declared by the Governor, the Charles County Commissioners, or the Office of the Sheriff;
6. Officers who are required to attend training that is facilitated by an outside source or agency where the Sheriff's Office has limited control over the training dates. However, in the event the Sheriff's Office has had fourteen (14) calendar days' notice of the specific training dates and failed to adjust the officer's schedule, the overtime rate shall apply; or
7. Officers who have been provided with multiple optional training dates and have had the opportunity to sign up and attend said training but through the choice of the officer, have failed to do so; or
8. For specialized units, and only as it applies to schedule changes regarding reporting times for two (2) days or less, the Agency can give less than ten (10) days' notice regarding a change.

Section III. Training

Officers shall not be assigned training on consecutive regularly scheduled days off. In the event this occurs, management shall make every effort to compensate the officer with alternative days off within that particular pay period. These following exceptions shall apply:

1. When the officer has requested training through an outside organization and understood when requesting the training it would take place on his regularly scheduled days off.
2. When the training is being conducted by the agency but requires instructors not employed by the agency directly or through contractual agreement and is subject to the schedule of these instructors.

Section IV. Posted Overtime Cancellation

To cover staffing shortages a list will be posted with available dates and times. Should the need to cover staff shortages no longer exist a supervisor will notify the officer by email and a telephone call of the overtime cancellation. Whenever possible, this notification shall take place at least 12 hours prior to the start of the overtime assignment. A record of the date/time of the notification will be noted by the supervisor. If, however, the Sheriff's Office notifies Officers at least ninety-six (96) hours in advance of the Officer's scheduled overtime shift, notice by email shall be considered sufficient notice, provided that the email specifies the overtime shift(s) which are cancelled.

Section V. Overtime for Officers on Modified Duty

1. An Officer on "restricted" or "light" duty is not permitted to sign up for pre-scheduled overtime more than four (4) calendar days in advance of the date on which the overtime is to be worked.

2. In the event that "short notice" overtime becomes available, an Officer on restricted or light duty is eligible to work such overtime, consistent with any medical limitations in place.

Article VIII Transfers and Reassignments

Section I. Involuntary Transfers

Officers who are transferred to an assignment, including a change in schedule, which they have not requested or volunteered for shall be given no less than ten (10) days' notice before such transfer becomes effective. However, it is understood that transfers related to issues of performance, discipline and those of an emergency nature remain within the sole discretion of the Sheriff, and may be effective immediately. Transfers which also involve a change of schedule within the Corrections Division, such as detailed above in the Notification of Change in Schedule clause, shall still be entitled to any payments, in accord with the provisions of that clause.

Section II. Transfer Procedures

In the event a position becomes available that is eligible to be filled by a correctional officer through reassignment or transfer (to include special assignments) as outlined in AOM 3-628, the following procedures shall be utilized in addition to those outlined in 3-628.3 and 3-628.4:

1. The position shall be announced for at least ten (10) business days in order to allow all correctional officers an opportunity to apply for it.
 - i. This announcement shall contain both a description of the position and its duties, and a list of the qualifications.
 - ii. Probationary status based on promotion shall not exclude an officer from eligibility unless probationary status is specified on the job announcement.
2. During this ten day announcement period, interested officers shall apply by submitting a Form #144 with a Form #301 and resume attached. The applicant will submit the documents to their immediate supervisor who will provide a recommendation and forward through the chain of command to Human Resources. The maximum length of the resume is (3) pages.
3. The Sheriff or his designee shall then convene a three member panel, at least two of whom must be members of the Corrections Division. This panel shall then hold an oral interview for all officers eligible and interested in the position. The panel shall review the applicants' resume, oral interview, and the criteria outlined in AOM 3-628.4.
4. The panel will provide a recommendation to the Division Commander to deliver to the Sheriff.
5. The Sheriff shall select an officer to fill the position in accordance with the process outlined in AOM Section 3-654.12.
6. These procedures shall be followed regardless if the position is recently vacated through transfer, promotion, retirement, reassignment, or termination; or the position is newly created.
7. If the same position becomes vacant again within twelve (12) months of the conclusion of this process, the same list can be used if no new officers apply, in accordance with Human Resource's Standard Operating Procedures.
8. The Officer that is currently in the position that is being vacated/announced may not re-apply for the same position.

In circumstances where the position needs immediate coverage, any qualified officer may be selected

to temporarily fill the position while the announcement and selection process takes place.

Section III. Voluntary Switch of Midnight Rotation

A correctional officer working shift work assigned to Custody and Security will be given the option of working a minimum of one extended midnights (Shift I) annually under a volunteer shift change with another officer of similar qualifications who also volunteers. The correctional officer's supervisors will approve or deny the request within a reasonable timeframe. This officer will not receive additional compensation over and above that listed in Article V – Section I.

Article IX Working Conditions

Section I. Uniforms

- A. Officers, at their discretion, may wear issued short/long sleeves year round, except courtroom personnel, who shall wear uniform of the day.

Section IV. Inclement Weather

- A. In the event of any weather-related emergency, including those that occur on Saturdays, Sundays and holidays, which causes the Sheriff's Office to enter a "Code Red" or closed status, Correctional Officers covered by this agreement shall receive compensatory time at a rate of one hour for each hour worked during the weather-related emergency.
- B. Officers that, due to inclement weather, are provided transportation to work by Sheriff's Office personnel, must also be provided with such transportation to their homes as soon as practicable after the Officer's shift concludes, regardless of a change in weather conditions.

Section V. Weight Room Maintenance

The Sheriff's Office shall provide proper maintenance and care to the equipment in the Detention Center weight room, or provide the Corrections Fitness Coordinator the necessary funding to do so.

Article X Seniority, Furloughs, and Layoffs

Section I. Seniority upon Reemployment as Correctional Officer

- A. An officer who takes another position within the agency may be reemployed as a correctional

officer and shall retain all previous seniority and rank held as a correctional officer if:

- (1) the officer returns to the correctional position within 3 years
- (2) at the time of return the correctional officer meets all Maryland Police and Correctional Training Commission and Charles County Sheriff's Office requirements to be employed as a correctional officer, and

Section III. Furloughs

The Sheriff agrees not to furlough Correctional Officers unless all other members of the Sheriff's Office identified in the AOM 3-605.1 as "critical employees" are subject to the same furlough plan.

Section IV. Layoffs

A. The Sheriff agrees not to solely layoff Correctional Officers unless a lack of funding occurs which results in a reduction of inmate population. In the event the number of Correctional Officers is reduced due to such reduction in inmate population, said layoffs shall be accomplished in inverse order of seniority, resulting in the lowest rank and least seniority member being layoff. No Correctional Officer shall be laid off out of seniority order as described above so long as that employee has the ability to perform the available work.

B. The Sheriff further agrees that if any layoffs occur within the Sheriff's Office, and the layoffs are not a result of a reduction of inmate population or specific inmate funding, any such layoffs of Correctional Officers shall be in conjunction with and in the same manner as all other critical employees. In the event of layoffs under this paragraph, said layoffs shall be accomplished in inverse order of seniority, resulting in the lowest rank and least seniority member being laid-off. No Correctional Officer shall be laid off out of seniority order as described above so long as that employee has the ability to perform the available work.

C. In the event it becomes necessary to lay off Correctional Officers, the Sheriff shall give the CCCOA Executive Board and the individual member(s) affected no less than one hundred twenty (120) days' notice of said layoff(s) or, if one hundred twenty (120) days' notice is not possible, the Sheriff must notify the parties as soon as practicable.

D. Should layoffs occur, and at a later date the Sheriff determines he is able to hire additional Correctional Officers, affected members shall be reinstated based upon seniority prior to any new applicant being considered for employment as a Correctional Officer. Correctional Officers who are laid-off are encouraged to provide the CCSO with current contact information and shall be given first right of refusal for reinstatement to the position as a Correctional Officer provided the employee meets the standards and qualifications established by the Maryland Police and Correctional Training Commissions. Any Correctional Officer who is laid-off and subsequently reinstated shall return to the rank and, at a minimum, the same salary, which were established prior to the lay-off.
