The Office of the Sheriff retains all rights and authority, which the Office of the Sheriff has not officially abridged, delegated, or modified by this Agreement. These rights and responsibilities include, but are not limited to, those that allow the Sheriff and the Office of the Sheriff, through their appropriate officers and employees, to:

ARTICLE III

ORGANIZATIONAL SECURITY

3.1 Payroll: Dues Deductions

Upon receipt from FOP 24 of a written authorization from an individual officer covered by this Agreement for deduction of dues, FOP 24 shall be entitled to have membership dues deducted on a bi-weekly basis from the paychecks of all officers covered by this Agreement. The amounts to be deducted shall be certified to the Office of the Sheriff by the Treasurer or other appropriate official of FOP 24, and the aggregate deductions from all officers shall be remitted monthly to FOP 24.

3.2 Payroll: Political Action Committee

Upon receipt from FOP 24 of a written authorization from an individual officer covered by this Agreement for deduction of funds to be contributed to FOP 24 Political Action Committee (PAC), FOP 24 shall be entitled to have the funds deducted on a bi-weekly basis from the paychecks of all officers requesting such deduction. The amounts to be deducted shall be certified to the Office of the Sheriff by the Treasurer or other

appropriate official of FOP 24, and the aggregate deductions from all officers shall be remitted monthly to FOP 24.

3.3 Agency Shop

Should an officer covered by this Agreement elect not to be a member of FOP 24 the Office of the Sheriff will notify FOP 24 in writing. If membership dues are being withheld at the time an officer covered by this Agreement elects not to be a member of FOP 24, the withholding will be discontinued at the commencement of the next full payroll period. Should FOP 24 elect to enforce any rights it has to collect membership dues, the Office of the Sheriff will not interfere in such an effort. FOP 24 agrees to hold harmless and indemnify the Office of the Sheriff for any legal expenses and/or liability arising out of the application of this section.

3.4 Bulletin Boards and E-Mail

The Office of the Sheriff shall provide FOP 24 with exclusive bulletin board space of no less than three (3) feet by three (3) feet at all stations in roll call areas and in the Sheriff's Headquarters building for the exclusive use of FOP 24; provided, however, that the Office of the Sheriff shall not be required to replace or move any bulletin boards in use on October 1, 2003. The bulletin boards shall be used for official FOP newsletters, notices, literature, or correspondence. No commercial or other proprietary advertisements will be permitted on the bulletin boards without the prior approval of the Office of the Sheriff. In addition, FOP 24 shall be allowed to use the Sheriff's E-Mail system to provide officers with notice of FOP meetings and special events unless this privilege is revoked by the Sheriff.

3.5 Communications

The Office of the Sheriff shall provide FOP 24 with time, not to exceed one (1) hour, to brief recruits or new hires during their agency orientation prior to attendance at the training academy or within fourteen (14) days after the new officer's first working day. Whenever practicable, FOP 24 shall be given no less than three (3) days notice, not including the date of notice, prior to the briefing date.

3.6 FOP 24 Leave

(A) An FOP 24 leave bank shall be created for selected FOP activities. The bank shall provide time for FOP 24 officers to attend out-of-County FOP meetings, and for FOP 24 members to attend FOP conferences, conventions, state meetings, schools, and training seminars. Time shall also be deducted from the leave bank for FOP officers to attend disciplinary trial board hearings conducted pursuant to the LEOBOR.

(B) The Office of the Sheriff shall contribute five hundred (500) hours to the leave bank at the beginning of each calendar year. Any unused hours in the FOP leave bank on December 31 of each calendar year, up to a maximum of fifty (50), may be carried over from year to year.

(C) To utilize time from the leave bank, FOP 24 shall send a written request for leave to the Office of the Sheriff or his designee at least fourteen (14) days in advance of any conference, convention, state meeting, school, or training seminar for which FOP 24 leave will be used. The request shall list those officers who will be attending, the dates of attendance, and how many hours of FOP 24 leave will be used for the particular event. The Sheriff or his designee shall respond to the request at least seven (7) days in advance of the event, and approval shall not be unreasonably withheld.

(D) In addition to the leave bank described in subparagraphs (A) through (C), and consistent with past practice, the FOP 24 President and other FOP 24 officers will be granted reasonable time to conduct FOP business within the County, including time to negotiate successors to this agreement or related documents without charge to the leave bank.

3.7 Notices

(A) FOP 24 shall be provided with notice of, and have fifteen (15) calendar days to provide input concerning, all proposed changes to Administrative and Operations Manual but not to include standard operating procedures and other policies or procedures not distributed agency-wide and/or applicable only to limited or specialized work units such as the Criminal Investigation Division.

(B) The notice provisions in paragraph (A) above do not apply to changes in policy where the intent of the policy remains unchanged (i.e. moving policy from one location in the manual to another does not change the intent).

(C) No advanced notice is required in paragraph (A) above where exigent circumstances or an emergency condition exists that require immediate or near-

immediate policy or procedure changes, or where the change of policy is mandated by local, state, or federal law or regulation.

3.8 FOP President; FOP Business; Access to Office of the Sheriff

(A) FOP President will be permitted reasonable time during working hours to conduct FOP business. However, agency operational needs will take precedent over FOP business and the FOP President may be precluded from conducting FOP business during working hours when necessary. In such case, the FOP President may select a designee to conduct FOP business. The Sheriff reserves the right to preclude any and all FOP business during working hours when there is an emergency and at other times when it will negatively impact agency operations. The FOP President will not be penalized in performance evaluation or in eligibility for promotion for conducting FOP business during working hours consistent with this provision. However, the FOP President is expected to complete his or her assigned duties in a satisfactory manner.

(B) The FOP President or his/her designee shall have direct access to the Sheriff or the Sheriff's designee on FOP related matters without regard to the chain of command. In all other matters, the FOP President or his/her designee will utilize the chain of command. This subsection does not apply to matters regarding discipline or litigation unless specifically authorized by the Sheriff or his designee. In such case, the FOP president or his/her designee must first speak to the Commander, Office of Professional Responsibility on matters regarding discipline or the Office of the General Counsel in matters regarding litigation.

3.9 FOP Executive Board Members and Internal Investigations

No member of the executive board of the Fraternal Order of Police, Lodge 24, will be required to conduct an internal investigation of any member of the bargaining unit during their term as a board member. This does not include use-of-force inquiries and other routine supervisory inquiries.

3.10 FOP Attendance at Trial Boards

Up to six (6) chairs/places shall be reserved and held for members of the FOP at all LEOBR Trial Boards conducted by the Agency.

3.11 Membership of Hearing Board

(1) LEOBR hearing boards shall consist of three members who are appointed by the Sheriff and chosen from law enforcement officers within the Charles County Sheriff's Office, or from law enforcement officers of another law enforcement agency with the

approval of the chief/sheriff of the other agency. Board members shall have had no part in the investigation or interrogation of the law enforcement officer.

(2) At least one member of the hearing board shall be of the same rank as the law enforcement officer against whom the complaint is filed.

ARTICLE IV **DISPUTE RESOLUTION PROCEDURE**

(A) Definition

For purposes of this Dispute Resolution Procedure, a dispute is defined as a disagreement concerning the application or interpretation of the terms of this Agreement or matters incorporated into this Agreement.

(B) Exclusive Procedure

The provisions of this Dispute Resolution Procedure shall be the exclusive procedure applicable to the officers covered by this Agreement for disagreements concerning the application or interpretation of the terms of this Agreement or matters incorporated into this Agreement. Any officer or group of officers covered by this Agreement may present disputes to FOP 24 to have those disputes resolved; provided, however, that any adjustment made as a result of such disputes may not conflict with the terms of this Agreement or matters incorporated into this Agreement. Nothing in this procedure shall be interpreted to preclude or discourage officers from discussing any problem with their supervisors; nor shall it preclude officers (with or without representation by FOP 24) from filing grievances, pursuant to existing policy, on issues not associated with this Agreement pursuant to Section 3-750 of the A.O.M.

(C) Dispute Resolution Procedure

Except as otherwise provided in this paragraph, disputes shall be presented and adjusted in accordance with the pre-existing grievance procedures established by Section 3-750 of the A.O.M. as it exists at the time this agreement is executed. Only FOP 24 may file a dispute on behalf of one or more officers covered by this Agreement concerning the application or interpretation of the terms of this Agreement or matters incorporated into this Agreement. FOP 24 may appeal the decision of the Grievance Review Board, in accordance with Section 3-750, to an Assistant Sheriff. Which Assistant Sheriff hears the appeal will be determined by the Sheriff at the time the appeal is filed.

(D) Disposition of Dispute

The parties further recognize that findings issued by the Assistant Sheriff under Section 3-750.3.4 of the A.O.M. are final and no further internal action or appeal may be undertaken. Finally, the parties understand that the final decision of the Assistant Sheriff is not binding in a court of law and that FOP 24 is not precluded from any action or redress it may have under law.

(E) Alternative Dispute Resolution

1. Mediation:

- a. If the Sheriff and the labor organization are unable to agree to the interpretation or application of this written agreement, and after all internal grievance procedures have been exhausted, the Sheriff or the labor organization may request mediation before a neutral labor mediator in accordance with this paragraph.
- b. The mediator shall be selected from the Maryland Mediation and Conflict Resolution Office directory of mediators or other qualified practitioner as agreed upon by the parties.
- c. The Sheriff and the labor organization shall share equally in the costs of the mediation proceedings.

2. Arbitration:

- a. If the Sheriff and the labor organization are unable to agree to the interpretation or application of this written agreement, and after all internal grievance procedures have been exhausted, the Sheriff or the labor organization may demand arbitration before a neutral labor arbitrator in accordance with this paragraph.
- b. An arbitration initiated under this paragraph shall be conducted before a single arbitrator.
- c. The arbitrator shall be selected to hear the dispute from a panel of seven arbitrators who are members of the National Academy of Arbitrators. The panel shall be requested from the Federal Mediation and Conciliation Service.
- d. The parties shall select an arbitrator by alternative strikes from the panel.

- e. The arbitrator selected may schedule a hearing, issue written orders to compel the testimony of witnesses and production of documents to those under the command of the Sheriff's Office, administer oaths and declare the record closed.
 - f. The written decision of the arbitrator shall be final and binding on the Sheriff, employee(s) and the labor organization to the extent the decision addresses the interpretation of this written agreement.
 - g. The Sheriff and the labor organization shall share equally in the costs of the arbitration proceedings.
3. In the event an applicable law or court ruling would contradict this amendment, said law or court ruling would supersede this amendment.

(F) General Provisions

1. The FOP President and her/his designee shall be given copies of all answers to disputes or grievances filed under this Agreement or under Section 3-750 of the A.O.M.

2. The fact that a dispute under this Agreement or a grievance under Section 3-750 of the A.O.M. is raised by an officer shall not be recorded in the officer's personnel file or in any file or record utilized in the promotion process; nor shall such fact be used in any recommendations for job placement; nor shall an officer be placed in jeopardy or be subject to reprisal or discrimination for having followed either this Dispute Resolution Procedure or the grievance procedure under Section 3-750 of the A.O.M.

In that case, the officer would receive the portion of the four (4) hours that is outside his normal work schedule.

(B) Personal Leave earned on or before December 31, 2016 will no longer expire at the end of the calendar year. Personal leave may be banked, accumulated, and held over for use in following years. Personal Leave days earned on or after January 1, 2017 will expire at the end of the calendar year.

(C) Personal Leave shall have no cash value, and will not be compensable in any way upon separation from the Agency.

At that time, the reasonable period shall close, and the supervisor will deny additional requests for the

use of Compensatory leave, as the operational functioning of the employee's unit would be adversely affected to the point of causing an undue disruption to that unit.
