Thank you to everyone who was able to attend the Charles County Sheriff's Office second Annual Trunk or Treat! It was a great success.

This Halloween your community police officers were able to visit the following neighborhoods and hand out candy to kids: Cobb Island, Bannister, Glen Eagles, Fieldside, Wakefield, Sheffield, Town of Indian, Lancaster, Hampshire, Dorchester and Acton Village. Special thanks to the neighborhoods who hosted Halloween events and invited us to participate!

If your neighborhood is having any events this upcoming December; parades, Santa, etc. and you want a Community Police Officer to attend please notify Gus Proctor with your request!

DID YOU KNOW?

Comfort K-9 Liberty

The Charles County Sheriff's Office obtained Liberty, a three year old golden retriever certified through the Elite Registry of Working Dogs (ERWD), as a therapy dog. The main purpose and focus of the Comfort Canine Program is to provide comfort for victims and witnesses who may have been traumatized by a criminal act. Liberty is assigned to the Special Victim's Unit (SVU) in the Criminal Investigations Division with her handler, Detective N. Garner #559.

One of Liberty's primary duties is to provide comfort to victims of sexual assault, mostly children. Liberty helps to bridge the gap between investigators and victims suffering after a traumatic event.

Liberty assists with sexual assault exams at the hospital, interviews at the Center for Children and Sheriff's Office, death investigations, officer involved incidents, critical incidents involving children, and assisting victims testifying at the courthouse. Liberty also frequents libraries, schools, business and community events.
