

Charles County Sheriff's Office

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

POLICE STATION TECHNICIAN I

Division:	Support Services
Section:	Communications
Pay Grade:	107
FLSA Status:	Non-Exempt
Classification:	Full-Time
Updated on:	August 2021

JOB SUMMARY

This **critical** position involves entry level work relative to the reception of visitors and receiving, routing, and transmitting information by way of computer terminal or other communication equipment. The employee is required to work a rotating schedule on an assigned shift. Assignments are performed according to established policies and procedures and applicable Federal Communications Commission (FCC) regulations. The employee receives general supervision from, and reports directly to, the **Police Station Supervisor**.

ESSENTIAL JOB FUNCTIONS

- Receives, from various input sources, information regarding emergency (911) and routine situations which may require police presence.
- Enters appropriate information (situation, location, etc.) into the Agency Computer Aided Dispatch (CAD) system, ensuring proper incident category and level of response are indicated.
- Forwards information to the Police and/or Fire-Emergency Medical Service (EMS) Communications Section as quickly as situation deems appropriate.
- Updates new and relevant information into the CAD system event file as it is received.
- Answers telephone calls for Agency personnel, transfers to appropriate person, or accurately takes messages and makes proper distribution.
- Greets and assists visitors, signs in those visiting other parts of the assigned district station, issues appropriate level of visitors' badges, and monitors the sign in/out log.

- Interacts with assigned officers from all divisions of the Agency and the Town of La Plata Police units, through telephone or pagers.
- Retrieves data from the CAD system for patrol officers and other Agency personnel.
- Retrieves public information for citizens (accident information, incident numbers, identification of officer(s) who responded, etc.).
- Processes applications and respective payments from citizens requesting copies of police reports, explaining process to requestor; forwards documents to the Records Management Section.
- Processes applications and respective payments from citizens requesting civil service paperwork, explaining process to requestor; forwards documents to the Civil Unit.
- Researches, updates, and retrieves appropriate data from the Maryland Electronic Telecommunication Enforcement Resource System (METERS)/National Crime Information Center (NCIC) computer system.
- Researches Maryland Vehicle Administration (MVA) computer files for information requests received from officers.
- Provides pertinent information concerning vehicle ownership, current licensing status, insurance information, etc., to requesting officers through verbal communications and/or printed documentation.
- Distributes interoffice mail and messages.
- Updates information posted in squad rooms and bulletin boards at assigned district stations.
- Enters, maintains, and retrieves accurate vehicle impound information in the Agency computer system and file hard copy documents. Updates and removes appropriate information from the computer system; ensures required documentation is provided to obtain vehicle release by an officer and attach copies to the storage card.
- Processes hit requests, responses, locates, and recovery teletypes on stolen vehicles, as necessary.
- Responds to telephone inquiries from officers, Agency staff members, Maryland State Police (MSP), Maryland Transportation Authority (Bridge) Police, Naval Ordnance Station (NOS), and others.
- Confirms wants and warrants on persons identified by officers as possible wanted subjects. Locates, retrieves, and passes along documents to officers for service; clear warrants from the Agency computer system and METERS/NCIC, as appropriate.
- Faxes warrants to serve as detainers to other law enforcement or detention facilities on wanted subjects.
- Enters and updates Interim Protective Orders, Peace Orders, and ERPO's after hours. Complete Return of Service for orders once they are served.
- Responds to requests for information received from other counties, states, or district stations.
- Coordinates with other law enforcement agencies, such as the Maryland State Police (to include their helicopter units), Maryland Transportation Authority (Bridge) Police, Prince George's County Police, St. Mary's and Calvert County Sheriff's Offices, to facilitate the capture of suspects or handle traffic related situations including severe accidents, funeral processions, etc.
- Assists Police Communications personnel in obtaining additional assistance, as needed, from various other governmental and private agencies, to include, but not limited to, the Charles County Public Facilities, State Highway Administration (SHA), civilian towing companies, and local hospitals, when requested.
- Orders and maintains supplies for assigned district station.
- Attends and participates in training sessions and other meetings, as required.
- Performs other related job duties as assigned.
