April 2024

Happy Birthday Teen Court!

Charles County Sheriff's Office Teen Court is proud to have been in operation for the last 23 years, hearing over 3,100 cases. Teen Court would like to thank our youth and adult volunteers who make it all possible. Their willingness to give so freely of their time and service is greatly appreciated. Their support of Teen Court allows us to continue to serve the community each year, providing the opportunity to teens to accept responsibility for their actions and change their behavior.

We would also like to thank our Community Partners for their unwavering support of the program. This support has allowed the Teen Court Program to continue to expand our efforts to support and educate our community. In the last 12 months, we have hosted 20 Information Sessions and a no-questions-asked Resource Hour, participated in over 30 community events, and have aided in community outreach projects like collecting items for food banks and seed libraries.

In the last year, Teen Court has been able to start publishing a monthly newsletter to keep Families and Community Partners up-to-date with our latest classes, fundraisers, and community events. It has also allowed us to provide valuable information and tips from our Community Partners on an ever expanding range of topics like heart health, safe driving, healthy relationships, the benefits of mentoring programs, and more.

We look forward to the continuation of the Teen Court Program which has become an important part of the local criminal justice system and community.
