Color Our World this Summer with CCPL!

Need something to fill the time this summer? Looking to be rewarded for your summer reading? Look no further than the Charles County Public Library! In addition to the regularly available teen spaces and resources— gaming systems, cool programs and friendly staff ready to help you find whatever you need— we’ve also got cool new programs and prizes waiting for you. By registering for and logging your reading using the Beanstack app, you can earn rewards like acrylic pins and art sets, and register to win a drawing for prizes like a tie-dye kit, an Amazon gift card, a sticker printer, and even more!

Not a big reader? Don’t worry! There’s plenty of other activities you can do to complete the challenge with as little as two books read. You can leave book reviews, discuss a book with a friend, make art, or brighten someone’s day to get a square checked off in our bingo challenge.

On top of the Beanstack challenge, we have plenty of programs for you to explore this summer. We’ll be joined once again by the Korean American Cultural Arts Foundation for programs on Jihwa, or traditional paper flower making, Seol Geyong, or paper cutting and folding, and even on Korean Cuisine! In addition to these, our staff have been working hard to bring you programs like pride flag decorating at the La Plata branch, an escape room at the Potomac branch, do-it-yourself suncatchers and summer bucket lists at the Waldorf West branch, and a “book buffet” at the P.D. Brown branch. All these and more will be open to you throughout the summer, so don’t miss out!

If you have any questions or want to know more, please visit us at ccplonline.org for more information. Cheers to a great summer!
