Crime Solvers: Helping Keep Our Community Safe

Written By: Diane Richardson

Charles County Crime Solvers is a nonprofit, community-based organization that provides people with a confidential way to share information about crimes in our community. By encouraging people to come forward with information, Crime Solvers helps law enforcement solve crimes while protecting the identity of those who provide tips. The organization is comprised of dedicated community and business members who volunteer their time to support the Crime Solvers mission. These volunteers work throughout the year to raise funds that are used to provide cash rewards for information that leads to arrests and helps solve crimes.

How Crime Solvers Works

If you have information about a crime, you can report it anonymously by calling 1-866-411-TIPS, submitting a tip online at www.charlescountycrimesolvers.com, or using the P3Intel mobile app, available through the Apple App Store and Android Store. Tipsters are not required to provide their name or personal information. Caller ID is not used, and calls cannot be traced back to the person providing the information.

When a tip is submitted, the tipster receives a confidential identification number. This number can be used to check on the status of the case and, when applicable, claim a potential reward. If information provided through Crime Solvers leads to an arrest, the tipster may be eligible for a cash reward. Rewards are determined by the Crime Solvers Board of Directors, which meets monthly with a liaison from the Charles County Sheriff's Office to review eligible cases. Claiming a reward is also confidential. Eligible tipsters are provided with instructions for collecting their reward and only need to provide their assigned identification code. No questions are asked.

A History of Community Partnership

The Greater Waldorf Jaycees established Charles County Crime Solvers in 1981, creating a community-based program designed to give residents another way to help law enforcement address crime. Over the years, information provided through Crime Solvers has helped law enforcement solve crimes, make arrests, locate fugitives, recover stolen property, and seize illegal drugs.

Volunteers Making a Difference

Throughout the year, Crime Solvers hosts three annual fundraising events: a Trap Shoot, Golf Tournament, and Car Show. These events help raise the funds necessary to support cash rewards. Crime Solvers also participates in community events alongside its law enforcement partners. These events provide opportunities for Crime Solvers volunteers to meet residents, answer questions, promote the anonymous tip line, and strengthen connections throughout the community.

Crime Solvers is proud to work alongside law enforcement agencies throughout the area, including the Charles County Sheriff's Office, La Plata Police Department, Maryland State Police, Maryland Transit Authority Police, and Maryland Department of Natural Resources Police.

If you know something, say something. Your information could help solve a crime — and you can remain anonymous.
